This Office action is in response to applicant's amendment received on 12 January 2005.

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Daryl K. Neff on 16 March 2005.

2. The application has been amended as follows:

In the Specification:

- Change the Title of the Invention to --Method for Forming Metal Replacement Gate of High Performance--.

In the Claims:

- In claim 28, line 1, change the status identifier from "(cancelled)" to --(currently amended)--; and
- Cancel claim 30.

3. Replacement drawing sheets corresponding to Figs. 1-2 and to Figs. 3-5 were received on 12 January 2005. These drawings are acceptable.
4. Claims 2-17, 21-29 are allowed.
5. The following is an examiner's statement of reasons for allowance: Claims 2-17, 21-29 are allowed because the prior art of record does not teach or suggest, in combination with the other claim limitations, a method of forming a gate structure that includes forming a metal-containing gate with a sequentially formed first layer, diffusion barrier layer, and second layer in an opening formerly occupied by a sacrificial gate, wherein the first layer is deposited using a carbonyl of a metal (e.g. $W(CO)_6$) as a deposition precursor.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen W. Smoot whose telephone number is 571-272-1698. The examiner can normally be reached on M-F (8:00 am to 4:30 pm).
